In addition, the parties agree that they may only bring claims against the other in their individual capacities and not as a plaintiff, class representative or member in any purported class or representative proceeding. Notwithstanding the foregoing, any actual or proposed assignment to a competitor of Ashtbit or change in control that results or would result in a competitor of Ashtbit directly or indirectly owning or controlling 50% or more of you, shall entitle Ashtbit to terminate this Agreement immediately without cause. Any purported assignment in violation of this section shall be void.
- 14.4. **Force Majeure.** Ashtbit's performance of this Agreement (including the Privacy Statement) is subject to existing laws and legal process, and you agree that Ashtbit may comply with law enforcement or regulatory requests or requirements notwithstanding any contrary term of this Agreement.
